PMD International®

A consortium of multi-discipline international expertise from Egypt, France, Italy & UK that built experience in MENA, GCC and Europe. We help our Clients; private, public or corporate, large or small to realise their projects. Its fusion of "creative talents and knowhow", "power of adaptation and sustainability" and "efficiency and professionalism" enable delivering distinctive solutions. Making places to live, work, learn or play; we create valuable, functional and aesthetic environments.
